Notes about our price list and our service:-

This price list represents the range of equipment that we normally carry in stock. Each manufacturer and importer that we deal with has a wide range of machinery that will not all be listed here so if you cannot see a machine to suit you then please contact us and we will do our utmost to help you.

We aim to provide a wide range of equipment offering good value for money at all times and with an emphasis on the better quality end of the market.

All machines that we supply will normally be fully assembled and where appropriate fuelled & oiled ready to use!

Most machines can be delivered free of charge within our local area.

We offer a **Half Price Service** on any new machines sold during the year provided that they are booked in for service during November or December which is our winter servicing period.

We provide a high quality parts and service backup for all machines that we sell.

In the event of a machine failure during the warranty period, we will give absolute priority to the repair, often providing an immediate or same-day service.

All prices quoted are inclusive of VAT at 15%

The specifications in this price list are intended as a means of comparing products within our product range. They are subject to change without notice and although we do our utmost to ensure that they are correct it is advisable to contact us to confirm exact current specifications and prices prior to purchase.

If you do find the same machinery advertised locally or nationally at a lower price then please contact us as we will always attempt to match competitors for local business.

We do not supply machines beyond our normal local delivery area (max 30 miles) as we believe that this equipment requires regular maintenance and ready availability of spare parts. There are already too many people selling equipment via the internet, and indeed from larger stores where there is no provision for future servicing or even warranty backup by them. Although warranty cover is provided by the manufacturer the actual warranty repair is usually carried out by specialist dealers such as ourselves and our priority is always to look after our own customers as they are where our future lies. **Many manufacturers are now insisting that warranty should be provided by the original seller so claims that national service networks are available may be misleading.**

ROTARY MOWERS

MAINS ELECTRIC

HOVER MOWERS - no grass collection

CYLINDER MOWERS

Petrol Mowers

1. **Suffolk Punch 14SK** *[Best Seller]* £489.00
30cm cut. New Kawasaki engine. Self propelled by large steel roller. Height of cut adjustable to five positions. Supplied with lawn scarifier cassette worth **£84.99** while stocks last!
2. **Suffolk Punch 17SK** £558.00
As above but with 43cm cut
3. **Atco Balmoral 17SK** £769.00 *rrp £811.59*
43cm cut. Self propelled by large steel roller. Cutting cylinder has six hardened steel blades. Fine height of cut adjustment gives almost infinite adjustment. Will accept lawn scarifier cassette. Weight approx 48kg. Now with Kawasaki engine.
4. **Atco Balmoral 20SK** £849.00 *rrp £899.70*
51cm cut. Self propelled by large steel roller. Cutting cylinder has six hardened steel blades. Fine height of cut adjustment gives almost infinite adjustment. Will accept lawn scarifier cassette. Weight approx 58kg. Now with Kawasaki engine.
5. **Atco Royale 24E I/C** £2249.00 *rrp £2397.57*
60cm cut. Top of the range mower with 6.5hp Briggs & Stratton Intek pro engine. Key start. Much heavier build quality than Balmoral range. Weighs approx 111kg. Also available in 51cm and 76cm cutting widths and can be converted to a ride-on machine by the addition of the autosteer seat.
6. **Masport Olympic 400** £759.00 *rrp £847.00*
40cm Cut. Briggs & Stratton 3hp engine. Self propelled by large steel roller. 6 bladed cylinder. Fine height of cut adjustment. This is in our opinion a far superior build quality than the Atco Balmoral. Weighs approx 63kg.
7. **Masport Olympic 500** £915.00 *rrp £1020.72*
50cm Cut. Honda GX160 engine. Self propelled by large steel roller. 6 bladed cylinder. Fine height of cut adjustment. Weighs approx 68kg.
8. **Masport CGM500H (limited stock)** £865.00 *rrp £1075.92*
50cm cut. Honda GXV160 engine. Self propelled by large steel roller. Fine height adjustment. Weighs approx 68kg. 10 bladed version also available for fine cutting such as bowling greens and cricket pitches (164 cuts per metre)
9. **Masport Olympic 660** £999.00 *rrp £1122.89*
Olympic 500 but 66cm cut and weight approx 78kg.

Speciality Mowers

DR Sprint	£449.00	<i>rrp £499.00</i>
String mower / trimmer with 5.5hp Briggs & Stratton Quantum engine & 51cm cutting width. Steel body, large 14" rear wheels & heavy nylon cutting line make this machine suitable for uneven ground and long grass & scrub cutting. Head can be offset for edge trimming.		
DR Pro 650	£599.00	<i>rrp £669.00</i>
String mower / trimmer similar to DR Sprint but with 6hp Briggs & Stratton Quantum engine, Cast aluminium body & 16" rear wheels.		
DR Commercial 825 ES PD	£835.00	<i>rrp £929.00</i>
String mower / trimmer similar to DR Pro but with 6.5hp Briggs & Stratton Quantum electric start engine and self propelled. As the wheels are driven they are a smaller diameter and the cutting head cannot be offset. An ideal machine for cutting on sloping or uneven ground where pushing is hard work.		
Apache M210 Scythe	£699.00	<i>rrp £789.00</i>
Sickle mower with 5hp Briggs & Stratton Quantum engine, self propelled with 87cm (34") cutting width.		
Apache M320 Scythe	£1395.00	<i>rrp £1549.00</i>
Heavy duty Sickle mower with 5.5hp Briggs & Stratton Power Built engine, self propelled with single forward and reverse gear. 110cm cutting width with ESM cutterbar.		
Cub Cadet Wide-Cut E	(One Only)	£1550.00
<i>rrp £1838.11</i>		
Heavy duty 84cm (33") mower with out front deck that will mulch or side discharge cuttings. 10.5hp Briggs & Stratton electric start engine. 4 forward gears & reverse.		
DR Scout 825-22 Field Brush Mower	£1295.00	<i>rrp £1439.00</i>
Heavy duty 56cm rotary mower suitable for cutting long grass and weeds and saplings up to 3/4" diameter. 8.25hp Briggs & Stratton engine. 3 forward & one reverse speed		
DR Pro 13-26 Field Brush Mower	£2069.00	<i>rrp £2299.00</i>
Heavy duty 66cm rotary mower suitable for cutting long grass and weeds and saplings up to 1.5" diameter. 13hp Briggs & Stratton e/s engine. 3 forward & one reverse speed. . Will accept 107cm finishing mower attachment for finer grass cutting. (£689.00)		
DR Commercial 15-26 Field Brush Mower	£2339.00	<i>rrp £2599.00</i>
Heavy duty 66cm rotary mower suitable for cutting long grass and weeds and saplings up to 2" diameter. 15hp V-twin Kawasaki e/s engine. 4 forward & one reverse speed. Suitable for use on banks due to pressure lubricated engine and differential lock. Will accept 107cm finishing mower attachment for finer grass cutting. (£689.00)		
Agri-Fab 45-0362	£1895.00	<i>rrp £2093.54</i>
A Towed Rough-Cut mower suitable for cutting longer and rougher grass and scrub that would not be possible with a standard tractor deck. 42" cut with 14.5hp e/s engine.		

Robotic / Automatic Mowers

These machines have been around for a number of years. We tried one nearly 10 years ago but were not impressed and decided to see if they would be improved or disappear. They now seem to be gaining in popularity, especially where people have little or no time to cut their lawn or are unable to do so due to poor health or disability. They are suitable for surprisingly large areas of lawn.

We have selected the Mowbot machines as we are aware of customers that have purchased them within our area and we have an established relationship with the importer.

The Two models we stock are as follows:-

Mowbot 100DL

£1169.00

This model is the second in the range, is powered by a Lithium ion battery which gives 2-3 hours cutting time and can cut an area of up to 700 square metres. It requires manual recharging but can be programmed.

Mowbot 200DL

£1565.00

This model is mid-range, again offering a Lithium ion battery with 2-3 hours cutting time on a charge. It can re-charge itself automatically so is suitable for larger areas up to 2600 square metres.

These machines require a little time and effort to install, as a perimeter wire with power supply, and charging system are required. Additional cost will be incurred if you don't feel confident with self installation. Once installed however you just sit back, relax and let the mower do all the work!

The Mowbot range varies in price from £849.00 to £2399.00 depending on the specification and can cope with areas up to 5000 square metres. More information is available from the website – www.mowbot.co.uk
