Notes about our price list and our service:-

This price list represents the range of equipment that we normally carry in stock. Each manufacturer and importer that we deal with has a wide range of machinery that will not all be listed here so if you cannot see a machine to suit you then please contact us and we will do our utmost to help you.

We aim to provide a wide range of equipment offering good value for money at all times and with an emphasis on the better quality end of the market.

All machines that we supply will normally be fully assembled and where appropriate fuelled & oiled ready to use!

Most machines can be delivered free of charge within our local area.

We offer a **Half Price Service** on any new machines sold during the year provided that they are booked in for service during November or December which is our winter servicing period.

We provide a high quality parts and service backup for all machines that we sell.

In the event of a machine failure during the warranty period, we will give absolute priority to the repair, often providing an immediate or same-day service.

All prices quoted are inclusive of VAT at 20%

The specifications in this price list are intended as a means of comparing products within our product range. They are subject to change without notice and although we do our utmost to ensure that they are correct it is advisable to contact us to confirm exact current specifications and prices prior to purchase.

Price Promise

If you do find the same machinery advertised locally or nationally at a lower price then please contact us as we will always attempt to match competitors for local business.

We do not supply machines beyond our normal local delivery area (max 30 miles) as we believe that this equipment requires regular maintenance and ready availability of spare parts. There are already too many people selling equipment via the internet, and indeed from larger stores where there is no provision for future servicing or even warranty backup by them. Although warranty cover is provided by the manufacturer the actual warranty repair is usually carried out by specialist dealers such as ourselves and our priority is always to look after our own customers as they are where our future lies. If the supplier does offer warranty backup, this may mean that the machine has to be drained of fuel and oil and re-packaged for a carrier to collect. This is much harder to do than it sounds.

Many manufacturers are now insisting that warranty should be provided by the original seller so claims that national service networks are available may be misleading.

RIDE-ON & TRACTOR MOWERS - Without Collection.

Mulching, Side or Rear Discharge

- | | | | |
|-----------|--|----------|---------------------|
| 1. | Mountfield 727M | £1099.00 | <i>rrp £1149.00</i> |
| | Rear engined ride-on mower with Mountfield 5500 OHV engine. 66cm, 26" cut. 4 speed Manual gear change. Side discharge deck with mulch kit. | | |
| 2. | Mountfield 727H | £1199.00 | <i>rrp £1249.00</i> |
| | As 727M but with hydrostatic transmission. | | |
| 3. | Mountfield 1538M SD | £1499.00 | <i>rrp £1699.00</i> |
| | Tractor mower with new 14.5hp Mountfield engine. 98cm cut with 5 forward gears & reverse. Can be used as a side discharge or mulching tractor. | | |
| 4. | Mountfield 1538H SD | £1699.00 | <i>rrp £1899.00</i> |
| | As 1538M SD but with hydrostatic transmission. | | |
| 5. | Snapper ESPX17542 | £1899.00 | <i>rrp £1999.00</i> |
| | Tractor mower with 17.5hp Briggs & Stratton Intek OHV engine, 107cm, 42" side discharge cutting deck. Hydrostatic drive. Optional mulch plug £69.00 | | |
| 6. | Snapper ESPX2246 | £2749.00 | <i>rrp £2899.00</i> |
| | Tractor mower with 22hp Briggs & Stratton V-Twin Intek OHV engine, 115cm, 46" side discharge cutting deck. Hydrostatic drive with cruise control. Optional mulch plug £89.00 | | |

Zero-Turn machines

- | | | | |
|-----------|---|----------|---------------------|
| 1. | Cub Cadet – RZT-S46 | £3699.00 | <i>rrp £3899.00</i> |
| | Zero-Turn tractor mower with 725cc Kohler V-Twin engine 117cm 46" cut with Zero-Turn capability. Twin hydrostatic transmission and special steering linkage allows this machine to spin round on its rear axle. Other Zero-Turn machines achieve this by using two steering levers, requiring a lot of operator skill but this machine uses a standard steering wheel making it as easy to use as a standard tractor. Other benefits of the system are improved traction and control on slopes and the rear wheels are wider spaced than standard tractors making it more stable. The cuttings can be side discharged or mulched. | | |
| 2. | Cub Cadet – Z-Force S48 | £4899.00 | <i>rrp £5199.00</i> |
| | Same design concept as RZT-S46 but heavier built machine and cutter deck. 726cc Kawasaki V-Twin engine and 122cm 48" cutting width. Optional mulch plug. | | |

***** See details of our price promise on page 2 *****

Zero-Turn machines continued

3. **Toro ZS3200S Timecutter** £2449.00 *rrp £2599.00*

Zero turn ride-on mower with 597cc Kohler twin cam engine, 81cm, 32" side discharge cutting deck with mulch plug. These machines are incredibly manoeverable due to the separately driven rear wheels, controlled by two steering levers. Cutting time is greatly reduced as no time is lost in turning at the end of a run or shunting around in tight spaces.

4. **Toro ZS4200T Timecutter** £3049.00 *rrp £3249.00*

Features and manoeverability of the ZS3200 but with Kawasaki 603cc twin cylinder engine and 107cm / 42" cutter deck for larger areas.

5. **Toro ZS5000 Timecutter** £3799.00 *rrp £3999.00*

Features and manoeverability of the ZS3200 and ZS4200 but with Kawasaki 726cc twin cylinder engine and 127cm / 50" cutter deck for larger areas.

6. **Toro ZX4820 Titan** £4999.00 *rrp £5299.00*

Features and manoeverability of the ZS Timecutter range but heavier build more suitable for professional use with Kawasaki 726cc twin cylinder engine and 122cm / 48" cutter deck for larger areas.

7. **Toro ZX5420 Titan** £5399.00 *rrp £5699.00*

As ZX4820 above but with Kawasaki 726cc twin cylinder engine and 137cm / 54" cutter deck.

***** See details of our price promise on page 2 *****

FRONT CUT RIDE-ON MOWERS

The Mountfield and Stiga front decked machines are produced in the same factory but branded and painted differently.

The front mounted cutter decks allow cutting into corners and under obstacles where mid-mounted decks could not reach. Mulching decks are quieter in operation than grass collecting machines and cutting time is greatly reduced as there is no need to stop for trips to the grass tip. Mulching is only suitable where regular cutting is possible however

The current cutter decks can be used in either mulching mode for a fine finish or rear-discharge mode where the grass is too long for mulching. This does require the removal of a baffle from under the deck.

1. **Mountfield 2135H** £2499.00 *rrp £2730.00*

Tractor mower with 13.5hp Mountfield engine. 33.5" 85cm **front mounted**, Combi multiclip deck. Hydrostatic transmission. Rear wheel steering for easy access into awkward areas. Will also accept 37" 95cm cutter deck (add £50).

2. **Mountfield 4155H (95/105cm)** £3350.00 *rrp £3660.00*

Tractor mower with Briggs & Stratton 15.5hp engine. 95cm **front mounted**, Combi multiclip deck. Articulated steering for excellent manoeuvrability which also ensures that the rear wheels always follow the track of the front. Hydrostatic transmission. **Price with 105cm deck only £3410.**

3. **Mountfield 4155H 4WD (95/105CM)** £3999.00 *rrp £4300.00*

Tractor mower with 15.5hp Briggs & Stratton engine. 37" 95cm **front mounted**, Combi multiclip deck. Four-Wheel Drive giving excellent traction on slopes and low marking on tight turns. Articulated steering for excellent manoeuvrability which also ensures that the rear wheels always follow the track of the front. Hydrostatic transmission. **Price with 105cm deck only £4060.**
