## Notes about our price list and our service:-

This price list represents the range of equipment that we normally carry in stock. Each manufacturer and importer that we deal with has a wide range of machinery that will not all be listed here so if you cannot see a machine to suit you then please contact us and we will do our utmost to help you.

We aim to provide a wide range of equipment offering good value for money at all times and with an emphasis on the better quality end of the market.

All machines that we supply will normally be fully assembled and where appropriate fuelled & oiled ready to use!

Most machines can be delivered free of charge within our local area.

We offer a **Half Price Service** on any new machines sold during the year provided that they are booked in for service during November or December which is our winter servicing period.

We provide a high quality parts and service backup for all machines that we sell.

In the event of a machine failure during the warranty period, we will give absolute priority to the repair, often providing an immediate or same-day service.

All prices quoted are inclusive of VAT at 20%

The specifications in this price list are intended as a means of comparing products within our product range. They are subject to change without notice and although we do our utmost to ensure that they are correct it is advisable to contact us to confirm exact current specifications and prices prior to purchase.

### Price Promise

**If you do find the same machinery advertised locally or nationally at a lower price then please contact us as we will always attempt to match competitors for local business.**

**Ideally we want to supply machines within our normal local delivery area (max 30 miles)** as we believe that most equipment requires regular maintenance and ready availability of spare parts. There are already too many people selling equipment via the internet, and indeed from larger stores where there is no provision for future servicing or even warranty backup by them. Prices are often attractive but **claims that national service networks are available may be misleading**. Although warranty cover is provided by the manufacturer the actual warranty repair is usually carried out by specialist dealers such as ourselves and our priority is always to look after our own customers as they are where our future lies.

# Zero-Turn machines

## Steering Wheel Design

- |  |                             |           |                      |
|--|-----------------------------|-----------|----------------------|
| 1.   | <b>Cub Cadet – XZ2 107L</b> | £3999.00  | <i>rrp £4349.00</i>  |
| <p>Zero-Turn tractor mower with new <b>Cub EFI (fuel injected) engine giving up to 25% fuel economy</b>. 107cm 42" cut with Zero-Turn capability. Twin hydrostatic transmission and special steering linkage allows this machine to spin round on its rear axle. Other Zero-Turn machines achieve this by using two steering levers, requiring a lot of operator skill but <b>this machine uses a standard steering wheel</b> making it as easy to use as a standard tractor. Other benefits of the system are improved traction and control on slopes and the rear wheels are wider spaced than standard tractors making it more stable. The cuttings can be side discharged or mulched. 234kg.</p> |                             |           |                      |
| 2.   | <b>Cub Cadet – XZ2-117L</b> | £4399.00  | <i>rrp £4899.00</i>  |
| <p>As XZ2-107 above but with 46" cutting width. 256kg.</p>   |                             |           |                      |
| 3.   | <b>Cub Cadet – XZ2-127</b>  | £5099.00  | <i>rrp £5499.00</i>  |
| <p>As XZ2-117 above but with more powerful <b>726cc Kawasaki V-Twin engine</b> and 50" cutting width. 265kg.</p>   |                             |           |                      |
| 4.   | <b>Cub Cadet – XZ3 122</b>  | £5819.00  | <i>rrp £6299.00</i>  |
| <p>Same design concept as XZ2 but heavier built machine and cutter deck. 726cc Kawasaki V-Twin engine and 122cm 48" cutting width. 312kg.</p>  |                             |           |                      |
| 5.   | <b>Cub Cadet – Z1 122</b>   | £8599.00  | <i>rrp £8998.80</i>  |
| <p>Same design concept as XZ machines but heavier build again for professional work. 747cc Kohler V-Twin, fuel injected engine and 122cm 48" cutting width. Height adjustment 26-127mm. 360kg.</p>   |                             |           |                      |
| 6.   | <b>Cub Cadet – Z1 137</b>   | £9559.00  | <i>rrp £9958.80</i>  |
| <p>As Z1 122 but with larger 137cm 54" Cutting width.</p>  |                             |           |                      |
| 7.   | <b>Cub Cadet – Z5 152</b>   | £13249.00 | <i>rrp £13798.80</i> |
| <p>Heaviest built of the Cub Cadet Zero-Turn machines built for professional work. Power Steering. 852cc Kawasaki V-Twin engine and 152cm 60" cutting width. Height adjustment 26-127mm. 680kg.</p>  |                             |           |                      |

# Zero-Turn machines

## Lap Bar / Stick Steer Steering

1. **Cub Cadet – XZ5L107** **New** £3999.00 *rrp £4499.00*

Zero turn mower with Lap-Bar steering system. Castor front wheels and separately driven rear wheels make these machines the most manoeuvrable and productive available. This mower is fitted with a Cub Cadet 679cc V-Twin engine and has a 107cm 42" side-discharge cutting deck with mulch plug. 267kg.

2. **Cub Cadet – XZ5L127** **New** £4499.00 *rrp £4999.00*

As XZ5L107 but powered by Kawasaki 726cc OHV V-Twin engine and with heavier duty fabricated 127cm 50" cutting deck. 285kg.

3. **Cub Cadet – XZ5L137** **New** £5199.00 *rrp £5799.00*

As XZ5L127 but fitted with 137cm 54" cutting deck. 312kg.

4. **Toro ZS3200S Timecutter** £2999.00 *rrp £3375.00*

Zero turn ride-on mower with single cylinder 452cc Toro OHV engine, 81cm, 32" side discharge cutting deck with mulch plug. These machines are incredibly manoeuvrable due to the separately driven rear wheels, controlled by two steering levers. Cutting time is greatly reduced as no time is lost in turning at the end of a run or shunting around in tight spaces.

5. **Toro ZS4200S Timecutter** £3325.00 *rrp £3625.00*

Features and manoeuvrability of the ZS3200 with 107cm / 42" cutter deck for larger areas.

6. **Toro ZS4200T Timecutter** £3349.00 *rrp £3799.00*

As ZS4200S but powered by **708cc V-Twin OHV engine**.

7. **Toro MX4275T Timecutter** £4199.00 *rrp £4499.00*

As ZS4200T but with heavier duty fabricated 107cm / 42" cutting deck and Toro MyRide adjustable seat suspension system for more comfort.

8. **Toro MX5075T Timecutter** £4399.00 *rrp £4699.00*

As MX4275T with MyRide seat suspension and 127cm / 50" heavy duty cutter deck.

9. **Toro Titan X4850** £5399.00 *rrp £5799.00*

Features and manoeuvrability of the ZS Timecutter range but heavier build more suitable for professional use with Toro 708cc twin cylinder engine and 122cm / 48" cutter deck for larger areas.

# FRONT CUT RIDE-ON MOWERS

The front mounted cutter decks allow cutting into corners and under obstacles where mid-mounted decks could not reach. Mulching decks are quieter in operation than grass collecting machines and cutting time is greatly reduced as there is no need to stop for trips to the grass tip. Mulching is only suitable where regular cutting is possible however

Many of the current cutter decks can be used in either mulching mode for a fine finish or rear-discharge mode where the grass is too long for mulching. This does require the removal of a baffle from under the deck.

The Stiga machines comprise of rear-wheel steer and articulated steering. With rear-wheel steer machines more care needs to be taken when moving around obstacles as the rear end of the machine will turn towards any obstacle that you want the machine to turn away from. A sharp turn away from a wall might end up with the back of the mower hitting the wall.

With articulated steering the rear wheels always follow the track of the front wheels making it much easier to manoeuvre around obstacles. The steering can feel a bit heavier with this system but many machines now offer power steering, making them extremely easy to control.

Many models also offer 4-wheel drive for improved traction on sharp turns and on slopes.

## Two Wheel Drive

1. **Stiga Villa 12 (85)** £2199.00 *rrp £2478.00*

Tractor mower with 414cc 7.1kw Stiga engine. 33.5" 85cm front mounted, Combi multiclip deck with manually operated height adjustment. 5 forward gears & reverse. **Rear wheel steering** for easy access into awkward areas. Warranty extendable to 3 years. 167kg.

2. **Stiga Villa 14 HST (95)** £2499.00 *rrp £2838.00*

Tractor mower with 344cc 7.4kw Briggs & Stratton engine. 37" 95cm front mounted, Combi multiclip deck with manually operated height adjustment. Hydrostatic transmission. **Rear wheel steering** for easy access into awkward areas. Available with 85cm deck if preferred. Warranty extendable to 3 years. 165kg.

3. **Stiga Villa 16 HST (95 electric)** £2899.00 *rrp £3198.00*

As Stiga Villa 14HST above but fitted with 500cc 8.8kw Briggs & Stratton engine and cutter deck height adjustment is by electric switch. 167kg.

4. **Stiga Park 120 (85)** £2599.00 *rrp £2779.00*

Tractor mower with 414cc 7.1kw Stiga engine. 33.5" 85cm **front mounted**, Combi multiclip, QuickFlip deck with manual height adjustment. Hydrostatic transmission. Articulated steering for excellent manoeuvrability which also ensures that the rear wheels always follow the track of the front. Warranty extendable to 3 years. 174kg.

5. **Stiga Park 220 (95)** £2899.00 *rrp £3168.00*

Tractor mower with 344cc 7.4kw Briggs & Stratton engine. 37" 95cm **front mounted**, Combi multiclip, QuickFlip deck with electrically operated height adjustment. Hydrostatic transmission. Articulated steering for excellent manoeuvrability which also ensures that the rear wheels always follow the track of the front. Warranty extendable to 3 years. 171kg.

\*\*\*\*\* See details of our price promise on page 2 \*\*\*\*\*

## FRONT CUT RIDE-ON MOWERS - continued

6. **Stiga Park 320 (95)** £2999.00 *rrp £3368.00*
- Tractor mower with 500cc 8.8kw Briggs & Stratton engine. 37" 95cm **front mounted**, Combi multiclip, QuickFlip deck with electrically operated height adjustment. Hydrostatic transmission. Articulated steering for excellent manoeuvrability which also ensures that the rear wheels always follow the track of the front. Larger fuel tank and wheels than Park 220. Warranty extendable to 3 years. 175kg.
7. **Stiga Park 320 PW (95)** £3599.00 *rrp £4028.00*
- Tractor mower with 586cc 11.2kw **Stiga V-Twin engine**. 37" 95cm front mounted, Combi multiclip, QuickFlip deck with electrically operated height adjustment. Hydrostatic transmission. Articulated **power steering** for excellent manoeuvrability which also ensures that the rear wheels always follow the track of the front. Warranty extendable to 3 years. 177kg.
8. **Stiga Park 416 P VM (100)** £3699.00 *rrp £4098.00*
- Similar to Park 320 machines but fitted with 452cc 8.8kw Stiga engine and 100cm cutter deck. Improved features include larger 12l fuel tank, hour meter, lever adjustable seat, led light and control console with cup holder. Warranty extendable to 3 years. 193kg.
9. **Stiga Park 520 P (100)** £4099.00 *rrp £4698.00*
- Tractor mower with 500cc 10.7kw Briggs & Stratton engine. 39" 100cm front mounted, Combi multiclip, QuickFlip deck with electrically operated height adjustment. Hydrostatic transmission. Articulated **power steering** for excellent manoeuvrability which also ensures that the rear wheels always follow the track of the front. Warranty extendable to 5 years. 194kg.
10. **Stiga Park 620 PW (100)** £4699.00 *rrp £5398.00*
- Same specification as 520 P but fitted with more powerful 586cc 11.8kw Stiga ST600 Twin cylinder engine. 203kg.
11. **Stiga Park 720 PW (105)** £5199.00 *rrp £6008.00*
- As Park 620 PW but fitted with 570cc 11.9kw Briggs & Stratton Vanguard V-Twin Engine and 105cm QuickFlip deck at this price. 203kg.

\*\*\*\*\* See details of our price promise on page 2 \*\*\*\*\*

# **BATTERY POWERED RIDE-ON MOWERS**

These are new machines to the market in the UK and offer performance equivalent to their petrol powered equivalents. They are more costly than their petrol neighbours but are much simpler in design with no drive belts or idler pulleys so will be simpler to maintain. The cost of running is also significantly cheaper than petrol.

One major advantage over the petrol machines is their dramatically reduced noise output, making them ideal for use near schools, offices, hospitals etc, as well as having less impact on neighbours.

1. **Weibang iON 81RC** £3999.00 *rrp £4299.00*

Ride-on mower with 81cm / 32" cutting width fitted with 190 litre grass collector and supplied with mulch plug. This machine is powered by a 72v 31Ah Lithium Ion battery and has a run time of approximately 150 minutes. Charging time is approx. 12 hours. Height of cut is adjustable from 25mm to 130mm.

2. **Cub Cadet LR2 ES76** *rrp £4299.00*

Ride-on mower with 76cm / 30" cutting width fitted with side discharge deck and supplied with mulch plug. This machine is powered by a 56v 30Ah (1500Wh) Lithium Ion battery and is capable of cutting up to 3000 square metres. An optional grass collector is also available but may reduce the cutting area capability. Charging time is approx. 4 hours. Height of cut is adjustable from 38mm to 95mm.

3. **Cub Cadet XT2 ES107** *rrp £6499.00*

Tractor mower with 107cm / 42" cutting width fitted with side discharge deck and supplied with mulch plug. This machine is powered by a 56v 60Ah (3000Wh) Lithium Ion battery and is capable of cutting up to 9000 square metres. Charging time is approx. 4 hours.

4. **Stiga E-Park 220** £9199.00 *rrp £9878.00*

**Out front deck machine** fitted with 95cm EL Quickflip deck. 48V 90Ah Lithium Ion Battery giving a working time of approx. 1.5 hours to cover up to 2000 square metres. Charging time is approx. 4 hours. 225kg.

\*\*\*\*\* See details of our price promise on page 2 \*\*\*\*\*

## RIDE-ON MOWER ACCESSORIES

We carry a selection of equipment by SCH as it is of excellent quality. They have an extensive range of accessories available to special order if required. (Details on request)

<b>SCH DTSB</b>	<b>(Special Offer)</b>	£239.00	<i>rrp £325.20</i>
A high quality 400kg capacity <b>tipping trailer</b> with a paint finish.			
<b>SCH GDTT</b>		£385.00	<i>rrp £429.60</i>
A high quality 500kg capacity <b>tipping trailer</b> with a paint finish.
